Getting on track for SUCCESS!

Greetings!

Next week our 5th grade students will take the ITBS test. The test will be administered every morning! The ITBS is a norm referenced test and as always we encourage students to do their very BEST!

In preparation for the test, please make sure your child gets a good night's rest and eat breakfast every morning.

Once we receive the scores we will share them with you. Typically, the scores arrive in January

Finally, please encourage your child to read 20-30 minutes every evening. Students in my class are expected to take Accelerated Reader tests every week or every other week. Reading fiction and nonfiction builds vocabulary and improves comprehension.

Please contact me with any questions or concerns.

*Yours in Learning,
Mrs. Jones*

AGENDA

Please review and sign (if requested) your child's agenda. My goal is to make sure you are informed of your child's homework.

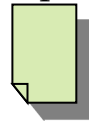

REMINDERS

- Students should read 20 minutes (or more) a day!
- Please wear sneakers for P. E.
- If your child is absent, please send a written note the next day.
- Please return important documents.

Math Matters

Math Matters is an early morning tutoring session!

Sessions will begin Wednesday, October 23rd at 7:10 am!

Math Matters was designed to support students in the area of math with small group support and hands on learning too!

Students are not expected to attend all sessions only when needed!

Please sign the **GREEN** permission form (sent last week) even if you do not see a need for support at this time!

Parents are responsible for transportation!!*
